Financial Services Guide: Version 17.1

Issue date: 22 December 2014

Important

Before we provide you with financial advice, you should read this Financial Services Guide (FSG). It contains the following important information to help you decide whether to use our services:

- Who we are;
- Initial and ongoing advice and services we provide;
- How we are paid;
- Who to contact if you have a complaint.

About Us

MIPA Financial Network Pty Ltd, (ABN 12 096 045 591) corporate authorised representative (CAR), number 250278, is authorised to provide financial services on behalf of Charter Financial Planning Limited (Charter Financial Planning).

MIPA Financial Network Pty Ltd trades as MAP Financial Strategies and MyGen Financial Strategies. The group incorporates Business & Investment Consultants Australia Pty Ltd trading as Business and Investment Consultants Australia.

Our group is a leading financial services provider with offices in Balaklava and Adelaide. We have a dedicated team of advisers, paraplanners and support staff to help deliver quality financial planning services to you.

We will provide you with strategies that allow you to take control of your financial future.

We build relationships with you and your family to ensure and secure each generation's financial well being.

Why you should choose a member of the MIPA Financial Network Pty Ltd group

We aim to provide personalised and responsible advice suited to your objectives and believe that sound advice and planning is the key to improving your financial position.

We undertake continuous professional development and training programs so we are up to date with legislative changes to superannuation, investment, social security and tax environments.

We have access to technical, risk and investment research professionals who provide us with additional analysis on strategies and products that become available as a result of these changes.

Our financial advisers will help you determine your goals and weigh up different investment strategies to achieve them.

Most importantly, we turn your thoughts into action. There are no secret formulas to achieving financial security. We work with you to get the basics right and ensure you have a plan to achieve your goals over time.

MAP Financial Strategies, Business and Investment Consultants Australia and MyGen Financial Strategies are in a select number of businesses that have been awarded Certified Quality Advice Practice status by Charter Financial Planning. This programme sets an industry benchmark for providing high-quality financial advice. The certification is awarded based on industry qualifications, demonstrated best practise business operations and proven success in meeting the financial planning needs of clients.

Our financial planning process

Everyone is different, with different circumstances, needs and goals. We treat every client as an individual, but follow a defined financial planning process, to make sure you know what to expect from us.

Identifying where you want to be

We help you identify your financial and lifestyle goals and explain the services we offer to help you achieve them. The type of advice you need could depend on your life stage, the amount of money you want to invest and the complexity of your affairs.

We will help you to identify the range of issues that need to be addressed to meet your goals. You can then decide whether you want our advice to meet a single need or a broad range of issues.

Considering opportunities and risks

Good personal advice starts with having an understanding of your current situation. We take a close look at your current financial situation – assets, debts, income, expenses and insurance, and explore the options you could use to reach your goals.

Bridging the gap

Based on the research we have conducted, we will recommend a strategy to bridge the gap between where you are now and where you want to be.

Bringing your plan to life

We work closely with you to implement your financial plan. We help you to complete any necessary paperwork and are available to attend meetings with your accountant, solicitor and general insurer so that your strategy is implemented efficiently.

Staying on track with regular ongoing advice

Time goes on and circumstances and needs change. The final step in our advice process ensures your financial plan remains on track, by providing you with regular ongoing advice.

We design an ongoing service programme to ensure your plan remains up to date as your life changes and so you can obtain the benefits of ongoing reliable advice.

Sometimes, life takes us in unplanned directions. When you need a little extra help on top of our initial or ongoing advice, just ask us to provide you with some additional advice. We are there to help you – whatever the occasion.

Charter Financial Planning maintains a broad approved list, containing investment and insurance products that have been researched by a number of external research houses as well as our in-house research team. A copy of the approved list of products and services can be given to you if requested.

The approved list includes products issued by AMP companies. A diversified selection of approved fund managers is accessible through investment products on the list.

Charter periodically reviews the products on the approved list to ensure that they remain competitive with similar products which address similar client needs and objectives.

Generally, we recommend products and portfolio administration services (PAS) which are on the approved list provided they are appropriate to your needs. However, we may, subject to Charter's approval, recommend other products and PASs where it is appropriate for you. Recommending products and PASs may entitle us and Charter to receive additional benefits as disclosed in the other benefits section of this FSG.

Transaction services

If you do not require advice from us, but you would like us to help you complete a particular transaction, we can also arrange for you to apply for the kinds of products referred to in your adviser's profile. In these cases, we can take your instructions and arrange for the transaction to be completed without providing you with personal advice.

It is important to understand that in these circumstances we will generally ask you to confirm your instructions in writing and to sign a letter that acknowledges you have declined our offer of advice as well as understand the risks of a transaction service. You will be provided with a copy of the letter for your own records.

You can also contact us directly with any instructions relating to your existing financial products. We will accept instructions from our existing clients via telephone, mail or email.

Documents you may receive

Our initial advice will be provided to you in a financial plan, known as a Statement of Advice (SOA). The financial plan contains a summary of your goals and the strategies and financial products we will recommend to achieve your goals. It also provides you with detailed information about the fees, costs and other benefits we will receive as a result of the advice we have provided.

We will keep a record of any further advice we provide you for seven years. You may request a copy by contacting our office.

If we recommend or arrange a financial product for you, we will make available a Product Disclosure Statement (PDS) or investor directed portfolio service (IDPS) guide where relevant. These documents contain the key features of the recommended product, such as its benefits, and risks as well as the costs you will pay the product provider to professionally manage your investment or insurance.

You should read any warnings contained in your financial plan, the PDS or IDPS guide carefully before making any decision relating to a financial strategy or product.

Advice fees

The fees charged for our advice services may be based on a combination of:

- A set dollar amount; or
- A percentage of the funds that you invest.

Our advice fees may include charges for the following services:

Initial Advice

Our initial advice fee covers the cost of researching and preparing your financial plan and is based on a set dollar amount.

Before providing you with initial advice we will prepare an Initial Advice Agreement. The Initial Advice Agreement sets out what our initial advice will cover and how much it will cost you.

In addition, the initial advice fee will be disclosed in your Statement of Advice (SOA).

Our initial advice fees range between \$330 and \$4,500 for a single strategy and \$3,300 and \$12,500 for multiple strategies.

If, in developing your financial plan, we identify that you have a complex situation that requires extensive planning and development, our initial advice fee will change. In this case, we will provide you with an upfront quote of the amount payable before we proceed with developing your financial plan.

Advice Implementation

The advice implementation fee covers the administrative time spent implementing the recommended strategies and products and is based on a set dollar amount.

Our implementation fees range between \$330 and \$2,400 for a single strategy and \$1,200 and \$6,600 for multiple strategies and will be disclosed in your Initial Advice Agreement and/or your SOA.

Ongoing Advice

Our ongoing advice fees cover the cost to review the strategies and products recommended in your SOA. An ongoing review helps you take advantage of opportunities as they become available. Ongoing advice fees may be up to \$2,000 for single advice strategies and up to \$25,000 for multiple and complex advice strategies per annum and are based on up to 1.5% of your investment balance per annum. An Administration component covers costs associated with work that may not be advice related and a Retainer fee covers maintenance of our systems and facilities needed to provide service when required. Together, the Administration component and the Retainer fee are valued at \$660 per annum.

Ongoing advice fees may increase each year in line with the Consumer Price Index (CPI) or by a fixed amount or fixed percentage each year. We will advise you if this fee will increase as a result of CPI.

If, during our assessment of your ongoing needs, we identify that you require ongoing advice outside of our standard advice offer, our ongoing advice fee will change. In this case, we will provide you with a quote of what you will be required to pay to receive these services.

Before providing you with ongoing advice your adviser will prepare an Ongoing Advice Agreement. This agreement sets out our ongoing advice offer, which includes the advice and services we will provide, as well as the frequency these will be delivered, how much it will cost, your payment method and how the service can be terminated.

In addition, the ongoing advice fee will be disclosed in your SOA.

Additional advice

For all other advice, an additional advice fee may be charged based on a set dollar amount. Any additional advice fee will be disclosed in your SOA.

Commission

Please note that for services in relation to insurance, margin lending, agribusiness and business/corporate superannuation, commissions may be paid as follows:

Initial commission – for all investment products; the commission is deducted from your investment contributions and for insurance products the commission is paid by the insurance product providers, and

Ongoing commission – a percentage of the value of your investment balance, outstanding loan amount or premiums, usually calculated at the end of each month in which you hold the investment or loan, or on renewal of insurance products.

Your advice fees will be calculated at the time we provide you with personal advice. Your SOA will outline the advice fees and any commission inclusive of GST.

Payment Method & Frequency

We offer you the following payment terms:

- Bpay, direct debit (credit card or savings), cheque
- Deduction from your investment
- Ongoing advice fees may be deducted as an annual instalment or in monthly or quarterly instalments.
- Ongoing advice fees may increase each year in line with the Consumer price Index (CPI) or by a fixed amount or percentage each year. The specific amount will be agreed to by you and outlined in our ongoing advice agreement.

How the advice fees are distributed and how I am paid
